**PAYMENT POLICY**

Our policy is to require payment at the time services are provided.

We attempt to remain informed about our patients insurance plans; however, due to the enormous number of such plans, it is impossible for us to determine the exact benefits which each individual plan might pay; therefore, we rely on you to be knowledgeable about your insurance plan and the coverage and benefits it provides. Please note: By filing a claim on your insurance, we do not guarantee the insurance coverage or benefits paid, nor can we accept responsibility for any amounts which your insurance company may not pay. Written or verbal estimates given by our office are not a guarantee of payment. Amounts filed on your insurance are your responsibility, if for any reason a claim is not fully paid by your insurance, the remaining unpaid balance will become due from you, and payable at that time. Generally, we allow 30 days for claims to be paid by your insurance company.

Our fees are considered standard with other general dentists in the Mobile area. In giving you the care that you need and deserve, we do attempt to keep your cost to a minimum Emergencies and insurance reimbursement are handled on an individual basis: please feel free to discuss financial matters with the office manager.

I have read and understand the payment policy above, and agree to comply accordingly.

I, \_\_\_\_\_, have received a copy of this office's Notice of Privacy Practices.
